

EXPERIENCE THE SENSATION OF FLIGHT WITH THE NEW “SUPERFLY” PACKAGE AT THE WESTIN WHISTLER

A great value for guests includes accommodation and the chance to experience Whistler’s newest attraction, the exhilarating Superfly Ziplines

WHISTLER, BC, AUGUST 10, 2013 - The Westin Resort & Spa, Whistler has partnered with Superfly Ziplines & Treetop Adventures to create an exciting new package. Guests can enjoy accommodation in one of the resort’s luxuriously appointed suites along with passes to Superfly, a 3.5-hour tour among a series of high-speed ziplines that sail above stunning mountain landscapes.

Opened July 1, Superfly is the area’s newest attraction, with the aim of taking the sensation of flight and providing it to guests in a safe, stunning, and thrilling ride. At over a kilometre long each, and reaching speeds of up to 100 km/h, with heights of 600 feet above the forest floor, Superfly’s two new tandem ziplines are the longest in Canada, travelling between two separate mountains. Riders are immersed in larger than life views of Wedge Mountain and the stunning Coast Mountain Range, with real wilderness under foot. The experience is dramatically captured in [this](#) official video produced by Superfly.

Rates start at \$362.00 plus tax, which includes one night in a Deluxe Studio Suite, as well as two passes to Superfly’s 3.5-hour zipline tour. To book, guests can visit <http://www.westinwhistler.com/superfly> or call 866-716-8101 and mention promo code SPRFLY. Reservations are based on availability. Upon booking, guests must contact Superfly directly to book their tour. A voucher will be issued upon check-in at the resort and must be presented to Superfly at the start of the tour.
